

## Upper Hutt Moderation Cluster – Network Learning Community

### School Action Plan

#### Goals for the contract:

- Increased collaboration and collegiality between schools in the Upper Hutt Network Learning Community (NLC)
- Understanding within and between schools in the NLC of the requirements and moderation of Overall Teacher Judgments (OTJ's) against National Standards
- Sustainable moderation procedures with and between schools to align with the Overall Teacher Judgment requirements of National Standards
- Development of consistency of Overall Teacher Judgments against the National Standards, across schools in the NLC.
- To establish sustainable and effective moderation of Overall Teacher Judgments across a cluster of schools of the NLC.

Underpinning principles/Policies we are expected to follow:

**To build strong foundations for a lifetime of learning through:**

**Raising Literacy and Numeracy Achievement**

Providing a means for considering, explaining and responding to students' progress and achievement in years 1-8.

**Ka Hikitia – Managing for Success**

Māori students in collaboration with others determining successful learning and education pathways.

Māori students successfully participating in and contributing to Aotearoa New Zealand and the world.
